Parents must set up an account with **FACTS Management**. You can go online to sign up at <https://online.factsmgmt.com/signin/3SJJR>. Please set up your account with either the **Yearly Agreement** or the **Monthly Agreement**. You are not officially registered until your FACTS account has been set up.

Returning Students FACTS accounts will be auto renewed with the same plan (12 month vs. yearly) as the previous year. If you would like to make a change to that plan, please contact the school office to make those changes at the time of registration. A yearly \$50 fee will be charged for the monthly agreement and a \$20 fee will be charged on the yearly agreement. The fees are paid directly to FACTS and will be billed once your account has been finalized by the office. Due to the amount of time invested and commitments made based on enrollment, the first month's tuition payment is **NON-REFUNDABLE** should the student be withdrawn for any reason. Also, if a student withdraws mid-year, the full month tuition for the month of withdrawal is due regardless of the date of withdrawal.

Tuition may be paid with our yearly agreement with payment in full due by July 5th or with our monthly agreement in twelve equal payments. If you sign up for the yearly agreement and payment is not made by July 5th, your agreement will be changed to a monthly agreement, the discount removed, and the extra FACTS fee will be billed. The twelve payments listed above are approximate and will be calculated by FACTS when your agreement is finalized. The twelve payments will be auto drafted on the 5th of each month with the first payment due on June 5 and the last payment will be due on May 5. If the tuition auto draft is unsuccessful, a \$30.00 NSF fee will be charged from FACTS and a \$25.00 late fee per student will be added to your account from NHA. If tuition and late charges are not paid in full by the 15th day of the month, your child will be dismissed from school. All fees must be paid in full for your child to be able to return. **Subsequent late charges may be applied.** FACTS will attempt to redraft the payment 15 days after the original due date.
