By God's power, NHA is changing the world ~ one child at a time.

Dear NHA Family,

Thank you for your interest in sports at NHA! The Athletic Department of North Henry Academy exists to help change lives one student at a time by instilling discipline, hard-work, integrity, fair-play and the ability to glorify God in all things (1 Corinth. 10:31) through sports. To do this we have implemented diverse programs with qualified coaches to compete at the highest level of interscholastic athletics. As a Georgia Independent Christian Athletic Association (GICAA) member school we demonstrate that we value professional development, cooperation, and accountability to help us achieve these goals.

We have chosen our current sports programs (Volleyball, Cross Country, Basketball, Cheerleading, and Boys Soccer) and those we are adding for the 2018-19 school year (Track and Field or Girls Soccer) to provide diverse programs year-round. Additional programs, such as Softball, Baseball, and Flag-Football, will be added in the future as we are able to do so while maintaining high standards of excellence.

As the Athletic Director at North Henry Academy I'm here to serve the families of NHA by helping to ensure that this mission is fulfilled and you and your student have the best and most productive experience possible. We truly want to partner with parents and are looking to increase our parent volunteer involvement. We need parents to work the concession stand, clock, and the scorebook. Your volunteer time to help during athletic events can go toward your 15 hours of service hours that are required by the school. If you have any interest in helping or have any questions about Athletics at NHA, do not hesitate to let me know.

Our coaching staff and I are excited for what the future holds in all our sports. God bless and Go Lions!

Sincerely,

Emily Land, Athletic Director
